Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Monday 12 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers and thunderstorms at first, drier tomorrow.

This Evening and Tonight:
Scattered heavy showers and some thunderstorms at first, these fairly widespread across parts of southern and eastern England, gradually easing and fading overnight leaving clear spells and a few fog patches.

Tuesday:
A much more settled day than of late with most areas dry with sunny spells and a few showers inland. Cloudier in some North Sea coastal areas and northern Scotland.

Outlook for Wednesday to Friday:
Mostly dry with sunny spells. Cloudier at times with light rain in the northwest. Generally light winds and becoming warmer, but fresher winds and cooler at times on eastern coasts.
